What User likes about Wood Iron: the wife of the chef is vegan, so he knows how to cook for vegans and the restaurant has great options! there are a few full vegan options on the menu and most menu items can be veganized because they don't use butter and have just mayo. they also have mandel and soy milk for latte! definitely recommend! best vegan options in the city. updated by previous review on 2020-02-22 [read more](#). It's definitely always an event to be in a **typical saloon** and to eat; to feel like a cowboy for once with a chilled drink and also the *finger food like crispy fries, onion rings or a hearty burger*, The customers of the establishment are also thrilled with the large selection of various coffee and tea specialities that the restaurant offers. The Asian fusion cuisine is also an important part of Wood Iron. Anyone who finds the everyday and generally known menus too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients taste, Here you'll find sweet pastries and cake, small snacks and chilled refreshments and hot beverages.
