Tried this place today. The staff explained every food and was patient until we decided what to pick. We ended up buying 2 plates of rice with about 4 sides each and only cost us \$11.80 The food was really delicious, loved every bite of it. Only negative was that it wasn't warm enough. Other than that the place and all the staff was great. Highly recommending this stall if you are in Singapore. [read more](#). What [User](#) doesn't like about Yuan
