What [John Dzikri](#) likes about Khansama Tandoori Village (science Park):

simply located beautiful black and white house along the scotts road. was here for the first time for the Sunday buffet with friends. there was a private event that took place on the ground, so I expected the workers to be quite busy this day. the restaurant manager was pleasant and showed us on our table. the service staff were attentive enough to ensure that our glasses were full and clear of the panels used. the s... At Khansama Tandoori Village (science Park) in Singapore, they prepare original **Indian spices tasty meals** and sides like **rice or naan** freshly, and you can look forward to the scrumptious typical **seafood** cuisine. The **Asian fusion cuisine** is also an important part of Khansama Tandoori Village (science Park). Anyone who finds the normal and generally known menus too boring can here approach with a willingness to experiment and try some unexpected combination of ingredients eat, On the menu there are also several Asian meals.
