What [User](#) likes about The Fuel: has many possibilities to create their shells and smoothies. they even have vegan granola and protein options available, only specify. recently they brought back a few lunch items in which some of them are vegan. great place with great vibes [read more](#). What [User](#) doesn't like about The Fuel: Vegan burrito was cold; the tortilla was shiny, it was so soggy. No flavor at all, but I was full by the end of the meal. The vegan chicken salad was pretty good, onions in it were very over powering. The staff was friendly but should be coached on food safety/common sense. It's great that there are vegan options available, but y'all definitely struck out. [read more](#). The Fuel from Midland is a good place for a bar to a drink after work and be able to hang out with friends, and you can look forward to the scrumptious typical seafood cuisine. A large selection of fresh and scrumptious **juices** is provided by the restaurants, for breakfast they serve a varied breakfast here.
