I was really impressed by fresh and varied delicious vegan Asian infused dishes. the food is made from scratch to order, the family is very attentive and proud of the eating they serve. a very big surprise how well it turned out to eat and I will make sure another visit! the deserts were extraordinary, the lava cakes are from this planet! all we order was delicious and amazing! [read more](#). What [User](#) doesn't like about Yes Vegan:

I was there several times, but mostly half of the menu is not available, so at the end its not so enjoyable. Especially cakes and desserts, juices and smoothies are never available. only basic items. 3 stars because the taste is good and prices in the middle range. [read more](#). It's certainly always an event to be in a typical saloon and to taste; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, Above all, the flavorful juices enjoy great popularity among the visitors. Many visitors also especially enjoy the **versatile, tasty Chinese cuisine**, Here, **Thai meals** are prepared with the famous spices and (fish-) sauces.
