No one greets you when you come in. You place your order on an Ipad, and when your order is ready, they call your name. No service whatsoever but they have the iPad set up to ask for 25% tip. It's like there's aren't even people working. Food is overpriced but ok. Sauces are extra and only 1/2 filled up in tiny containers. No water served, you have to bother them to ask for it. Won't be back. [read more](#).
