Update: so they no longer sell kimbap which is infinitely disappointing to me, but their Bibim bowls are pretty worth the \$13.90 for the amount of food they give you. Worth trying if you like Korean food! Delicious and fast Korean food! I'm a huge fan of their kimbap (Korean sushi) and it's always such a good deal. \$8.90 for a roll and a drink, and it'll fill you up pretty well. Their other foods are good to but thei... What [Kariane Gutmann](#) doesn't like about Kimchi & Co:

I bought a box of Korean fried chicken from this place and it was served cold! based on my past experience in having all these KFC, I am pretty sure it's meant to be a hot dish. If the chicken was served hot it would have taste much better. There go my [read more](#). With fresh ingredients like fish, vegetables and meat, Kimchi & Co from North Sydney prepares for you **scrumptious sushi (e.g., Maki and Sashimi)** and many additional variations, There's something for every palate and it's impossible to go wrong with the bite-sized **Tapas**. It's precisely the freshness and lightness together with the original Vietnamese spices that not only brings tasty meals to the plate, but also puts the customers into a pleasant holiday feeling temporarily, For you, the dishes are normally prepared fast and fresh.
