[User](#) likes about Ali Baba:

We dropped in to Westfield on a recent trip to Sydney to have some lunch. My husband had the Falafel Kebab while I had a beef kebab. Both were excellent. I really enjoyed the lemon coriander sauce that I had on mine.

Very tasty! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Ali Baba:

I haven't had a kebab at Tuggerah foodcourt for a while, but they were usually ok. Had a bbq meat lovers kebab yesterday and it was terrible, very bland and lacking in filling. Don't know if they are new owners but they have definately gone downhill. Give it a big miss. [read more](#). At Ali Baba in [TUGGERAH](#), there are [fine sandwiches](#), [healthy salads](#) and [further snacks](#) for quick hunger, as well as cold and hot beverages, For you, the dishes are normally prepared in the shortest time and fresh. For the undecided, the inviting smell of fresh flatbread combined with the fine, syrupy promise of fresh baklava might be the necessary push - the *Middle East* is undeniably closer than expected, Don't miss the chance to enjoy the tasty [pizza](#), prepared straight out from the oven in an original way.
