At The **Kebab** Factory, you'll find not only the traditional Kebabs done in various, distinct styles, but also the spices well-known for Turkish cuisine - whether on a fine Lahmacun, or in Sucuk or even in one of the various lentil or bulgur salads, also, the Greek dishes are highly appreciated by the guests of the establishment. Dishes are usually prepared in a short time for you and brought to the table, Customers repeatedly praise the delicious, light flatbread that can be dipped into the homemade hummus or a yoghurt dip; the exciting combination of figs and goat cheese is among the standout dishes from the diverse culinary landscape of the Middle East.
