Look I have been eating at this place for months. They have had a few different people running it. Current crowd is friendly, food is great (again) and the service is with a smile. Best of all the ten dollar lunches won't leave you feeling cheated. Looking forward to the depths of winter when they have the open fire running as well! [read more.](#)

What [User](#) doesn't like about Benny's Kitchen in Dicey Rileys Irish Hotel:

Dicey Riley's is in need of a total renovation, the place is dingy and the cleanliness is poor, needs a good cleaning. The Bistro meals are poor quality, with the dessert offered was a cold crepe with tinned fruit and tinned whip cream, the whole meal was inedible. The vinyl chairs in the bistro were torn and the tables need replacing. Not a place I would recommend to eat, not worth the time, effort or money. Additionally, they serve you authentic Australian dishes with products like bush tomatoes and finger limes. The *burgers of this restaurant* are among the highlights and are usually served with side dishes such as French fries, salads or wedges. It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
