What [Jeremy F](#) doesn't like about Burger King 漢堡王 光華店: When using Foodpanda, the food always arrived cold and I lost count for the number of times they forget to add sauce that we specifically asked for. We started to order from a different BK, further from where we live, and the food arrived faster, hot, and with friendlier people. I don't know what to say about this Burger King except for one word to describe the memories: sad [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: delightful dishes, prepared with *fish, sea creatures, and meat*, but also **corn, beans, and potatoes** are in the menu, And of course, you should also try the **tasty burgers**, with sides such as fries, salads, or wedges provided. Furthermore, you'll find tasty American menus, like for instance burgers and grilled meat on the menu.
