The donuts and toasts and other things looked brilliant, but I just wanted a humble muffin. (I often live blueberry muffins and they are one of my favorite bakery) Based on the muffin but, I'm pretty sure that everything else is also great. Updated by previous review on 2023-03-15 [read more](#). With the large range of coffee and tea specialties, a visit to Universal Bakes 2 Nicome becomes even more attractive, Also, there are oven-warm baked goods available, complemented by an array of cold and hot beverages. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice tasty burger.
