What User likes about Simes Kitchen: Excellent food and coffee and good service. Had three different meals there during a recent short trip, including evening, all were excellent. Large vegan / vegetarian options. Would recommend. read more. The place also offers the possibility to sit outside and be served in pleasant weather. What User doesn't like about Simes Kitchen:

was recommended here by the employees in bee box as they do not have vegan food in the offer when we visited. I had a delicious but small granola with Raglan chocolate yogurt and fresh berries. they also had avocado and tomaten on sourdough, which could be veganized, plus a falafel packing in the cabinet. also had a great heel laugh. service was really good and friendly. would not return much more in this city! read more.
