Favourite rays in brisbane so far, the broth is delicious, beautiful and creamy I guess soy and sesame based definitiw no eds (I asked) the gyoza are also jum. I find the serviettes a little small for my pleasure, so always get extra. I tried the big upgrade last time, but it was a little too much, so I think I'll get the medium next time lol. the nudel is also really beautiful, a beautiful flat nudel with a good tex... [read more](#). With **typical Asian spices tasty** traditional menus are prepared in the kitchen of Taro's Ramen in Brisbane, and a lot of freshly harvested vegetables, fish and meat are used to prepare easily digestible Japanese meals. The *Asian fusion cuisine* is also an important part of Taro's Ramen. Anyone who finds the usual and generally known menus too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients consume.
