What [User](#) likes about Hook'd Fish And Chips: always a great meal of fish, chips and calamari, this time, when we ordered, we got broken, which was not a big thing, as it was still good. we are still not in the position to order 1 x battered and 1 x crumb in dinner pack for 2 on the app. the adjustment tool simply rejects it. The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Hook'd Fish And Chips: 1st time we had takeaway from here about 1 month ago it was pretty good, thought we'd found our new fish n chips.....tonight we ordered it again and we got home and they had forgotten to put in our chips, so we just had fish and calamari!! To make our experience worse, this fish was no where near as nice the first time and they have changed their calamari too....not happy at all and I'm still hungry.
