For changing offers, please contact the owner of the restaurant directly. You can also contact them through their website. What User likes about El Apetito Buffet: Really great local place. Not fully vegan, a few meat options definitely some dairy but a lot of vegan options. Lots of plain vegetables fruits, rice and beans, tortillas. Not the best food I've ever had but it was great considering the price and nice to be able to have healthy vegetable options. Would definitely come again [read more](#). Anticipate the varied, fine Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers), Moreover, the sweet desserts of the house shine not only in the eyes of our little guests. If you decide to come for breakfast, a **hearty brunch** is ready for you.
