although they do not have many vegan options on the menu, they will be able to accommodate them. we had the spring roll and it was light and fresh. sea view is spectacular! their drinks are made with fresh fruit. great place to hang out! updated by previous review on 2021-11-23 [read more](#). When the weather conditions is pleasant you can also eat and drink outside. What User doesn't like about Surf's Up Cafe:

stopped at this last weekend to breakfast as she had a vegan option on her menu, which Ying-Yang had French toast. the French toast was ok, something too sweet for my taste and had to be cooked more since it was in the middle soggy. service and atmosphere were excellent. we are interested in going back to lunch, but I would like to encourage the owner to make a delicious vegan breakfast item on the menu as well.
