It's certainly always an experience to be in a typical saloon and to consume; to feel like a cowboy for once with a beer and also the **finger food like crispy fries, onion rings or a delicious burger**, The inventive fusion of different dishes with fresh and occasionally daring ingredients is highly valued by the visitors - a good example of Asian Fusion. Not to forget, No Eyed Deer provides naturally also Malaysian national dishes like Roti, Naan and of course also a large selection of rice dishes, on the menu there are also a lot of Asian dishes.
