What [User](#) likes about Queen's Healthy Diner: this place is such a great addition to the vegan scene in nagoya. I had okonomiyaki and it was so good! the owner is from kansai, the region where okonomiyaki originated, so she said she must of course have a good okonomiyaki! especially if they are a vegan / vegetarian tourist in nagoya, I really recommend this, they will not find vegan okonomiyaki anywhere else and it is such a classic Japanese dish! my friend got... [User](#) doesn't like about Queen's Healthy Diner:

the food was the tasty and friendly service. but tiny portions for a high price. each person must buy a drink (capest 500) and the group pay a table fee 400 for sitting. expensive eating and still hungry after. At the establishment, the fresh and fine juices on the drinks menu wonderfully complement the menus, Besides, the *light and healthy meals* on the menu are among the most sought-after dishes of the customers. Naturally, they also serve you with crisply crunchy pizza, baked fresh in traditional style.
