Great place to eat at especially if you're looking for drinks as well. Love the selection of beer as well. [read more](#). During a meal, a good drink is essential.

In this **gastropub**, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, and a lot of fresh vegetables, fish and meat are used to prepare easily digestible Japanese meals. The *Asian fusion cuisine* is likewise an important part of Ken Yakitori. Anyone who finds the everyday and generally known dishes too boring should approach with a willingness to experiment and try some unexpected combination of ingredients consume, on the menu there are also a lot of Asian dishes.
