I was surprised when I was eating here. the Japanese breakfast was excellent and then the [sushi](#) bar was also delicious. the menu I ordered was surprisingly good and very satisfying. it is quite expensive, but the practice and quality is worth it. the [sushi](#) cook that served us was called iba and was incredibly friendly and good. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. In the morning, you can enjoy a **rich brunch** at Mizuki, as much as you want, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. But the undisputed highlight of this establishment is the delightful [Sushi](#) such as Maki and Sashimi, Moreover, the menu of this *gastropub* offers a good and especially comprehensive variety of beers from the region and the world that are definitely worth a try.
