What [User](#) likes about Monkey:

absolutely loved the place! a group of 6 went there on a Sunday afternoon, so that there was hardly 50% full. service was amazing original almost everything we ordered kanu within 10 minutes. chicken wings, chicken nachos, mushroom cheese-poppers were the usual but tiger beef was their usp :d budweiser magnum tower would easily suffice 10 glasses for a cost of 1800. yes, it was a good afternoon spent: [read more](#). What [User](#)

doesn't like about Monkey:

An over-rated resto-bar with horribly rude staff, average food, sub-standard drinks and cocktails. The place is so cramped and congested that the staff will brush off your table every time they will pass by. The only reason people would be visiting this place is to booz&dance. There are way better places in Bangalore with superb service, delicious food and great drinks. Not at all recommended!! [read more](#). At Monkey in Bengaluru you can savor delicious vegetarian menus, that are free from any animal meat or fish, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse variety of beers from the region and the whole world. The eatery provides a rich diversity of spicy tapas, which are undoubtedly worth a sample, It's possible to chill out at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks.
