this place is minze! it has never served a piece of food that has not been cooked to perfection and delicious. if we are indians, it's ar! their bevel bhajis are cool bc they get a big bag full and they are strands of chickpea-batter coated bevel instead of shaped bhajis and so they get so much for the price that is such a novelty with places in these days. their delivery has always been exceptionally fast and it is... [read more](#). What [User](#) doesn't like about Ar Indian Restaurant Bar, Takeaway:

Food is not bad, but customer service is poor! The staff denied everything that she explained to us while ordering and saying something different when we were about to pay. Then suddenly she asked do you guys not have enough money to pay? . This is not about money, but how rude is that? not even a sorry from them. [read more](#).
