good alternative if they are here in the next season, it is open while the vegan restaurants are not! for the case that they say the chocolate smoothie bowl without milk chocolate as I got it with chocolate and it is not vegan, although the menu said it would be! but eating is really good, happy cow says it is vegetarian, but unfortunately it is not! they offer meat! updated by the previous review on 2022-03-27 [read more](#). In pleasant weather you can even eat in the outdoor area. What [MicciM](#) doesn't like about Squeeze Me:

Nice for a cold drink, but not so much for eating. I recommend not to order the bowls since they come with lots of vegetable but no particular flavours. The smoothie bowls are really tiny. The avocado toast and the hummus plate are good. The place is nice tho and the staff very kind and helpful. Updated from previous review on 2023-08-03 [read more](#).
