peaceful vibes, clean eating. like a cafe, but with a full menu. 100% vegan menu and have a lot of options for dessert. beautiful place to immerse or just tee and hang out. [read more](#). What [User](#) doesn't like about Living Food Lab Canggu:

eating is good, but the portions are small and it is expensive! the restaurant itself needs something dc, since the toilet for months has been broken apart. the service is also very slow! but the staff are beautiful. [read more](#). For guests of the establishment, the catering service is also available, Among the visitors, especially **flavorful juices** are highly sought after. Also, *international menus* are a part of the cuisine of the Living Food Lab Canggu, Typically, the dishes are prepared for you in the shortest time and fresh.
