What [User](#) likes about Restoran Lempeng: I loved the food here! It serves traditional terengganu dishes. We tried the lumpeng really nice, thin and crispy. I love how it has freshly shrunk coconut inside. It is slightly sweet and served with one side curry. What a must have here is also the ikan bakar super fresh. Make sure you have it with the Budu. Here too the Kierabu is good. It is on the beach so you get a nice view at the food. [read more](#).
