What [User](#) likes about Lone Star Steakhouse: 10/10 great food and good service. If you are looking for a place that has the Texas Roadhouse Vibes, this is the next best place here in Guam. The way she decorates inside makes the environment very south, and someone who is from Texas makes it comforting. I don't eat much so my husband and I share the Texas Trio Combo. It came with one side and your choice of soup or salad. We have the chicken soup, it was delicious if you like very thick creamy soups. The roles are always amazing. I asked for my steak to be medium and they did. They are always ready to update our side blowers on bacon cheese. Lone Star Steakhouse from Hagatna is a good option for a bar if you want to have a drink after work and sit with friends or alone, Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive assortment of beers from the area and from worldwide, which are definitely worth a try.
