Very impressed, antiques, collectibles, old retro atmosphere. It's like slipping into the scene of a Chinese movie, Shanghai Godfather. Recommended. You won't be disappointed. There are many corners to take photos in general. Really like it very much. I guarantee that you won't be disappointed. Food: 4 Service: 4 Atmosphere: 5

The entrance to the store is a bit complicated. The food is quite okay. The service staff is not very good. Ordered water and actually received water. No glass was given. Food had not yet arrived. The waiter will check the bill at our table. The interaction is not very good. It's like they don't really want to serve. Once is enough for this shop.
