Looking for nice rooftop bar and restaurant to dine with some really good food and drinks, here is your go to place. [read more](#). What [kaavya b](#) doesn't like about Sky:

Pros: On top of a 5 star hotel Staffs are good. Cons: No party atmosphere at all No music available Sluggish action on order Tasteless food Service taste n ambiance doesn't justify the price.(way too high). Small area. Hardly any crowd Tip: Dogo there based on its rating. [read more](#). For breakfast, you can enjoy a **diverse brunch** at Sky, freely at your own will, On the daily specials there are also several Asian meals. The Asian fusion cuisine is also an important part of Sky. Anyone who finds the everyday and generally known meals too boring should approach with a willingness to experiment and try some unexpected combination of ingredients taste, One can also find some **international dishes** to choose from on the menu.
