Why not take a look or help Menulist and upload the overview of dishes and drinks here. What [User](#) likes about Roll Momo Roll: I have tried few dishes from them. The platter which contains 4 varieties of momos was the best amongst the all dishes I have tried there. Little cozy I would say but service was really fast and great and the cheese cake was not just a dessert it was just a delight experience. Can't wait to visit there again [read more](#).
