The coffee is consistently good and reasonably priced. It can be a bit of a wait at peak times but the place can get insanely busy. The food array is extensive and seems to be good value for money however I've tried a few things (muffins, cakes etc) and they're a bit average. That said I've really only scratched the surface of their offerings and there are some things that my colleagues rave about... [read more](#). You can at Coffee Depot from Bracken Ridge Australia try delicious vegetarian menus, in which no animal meat or fish was brought into play, Additionally, they serve you *typical Australian menus* with ingredients like bush tomatoes and finger limes. If you decide to come for breakfast, a **tasty brunch** is ready for you.
