Specialty Coffee:

Awesome place. Run by lads who are as passionate about coffee as I am about tea. They were happy to spend time explaining different coffees and their processing techniques which added to the whole experience.

And the coffee wow. One of only two times in my life where I could drink and truly enjoy the flavour of black coffee. An absolute treat and a real experience. Handcraft Specialty Coffee from Feock United Kingdom is a relaxed café, where you can have a small snack or cake with a *warm coffee* or a *hot chocolate*, Inthemorning a **versatile brunch** is offered here. Also worth mentioning at this restaurant are the **dishes from the Australian continent**.
