Work in Progress is cool. I love the vibes of this place and love the music in the background. It feels more like a bar than an eatery. The staff are always friendly and helpful, the food very good and it's not too expensive for a Merivale restaurant. [#workinprogress read more](#). At Work In Progress from Feock United Kingdom you can taste delicious vegetarian meals, in which no animal meat or fish was used, The successful fusion of different meals with fresh and occasionally daring ingredients is highly valued by the customers - a good example of Asian Fusion. **meals are prepared typically in the Asian style**, Many visitors are especially impressed by the versatile, tasty Chinese cuisine.
