In nice weather you can even eat in the outdoor area, and there is complimentary WLAN. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physiological disabilities. What [Edgar Friesen](#) doesn't like about Doo-Bop Jazz Bar:

If eating and drinking is too plain for you, go to this [sports bar](#) for a variety of small snacks and meals and catch live football, tennis or Formula 1 games. Moreover, there are some **international dishes** to choose from on the menu. Even *South American* fresh seafood, meat, as well as corn and rice are grilled here. Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges served.
