I was not looking forward to going out for dinner on a very hot Summer evening, however, we chose to sit outside at Kenzi Sake Bar and I was very glad we did. When the weather conditions are good you can also be served outside. What [Scottie Kassulke](#) doesn't like about Kenzi Sake Bar:

The creative fusion of different meals with fresh and occasionally daring products is highly valued by the customers - a nice example of Asian Fusion. The restaurant provides a rich diversity of spicy tapas, which are certainly worth a sample, and you may look forward to the fine traditional seafood cuisine.
