Can't fault this wonderful place! The food is delish, the presentation is flawless and their coffee is pure heaven. Took my mum for the first time to experience their wonderful iced coffee and they did not disappoint! She loved it! The staff are always so friendly and accommodating. It is well worth the long drive from home. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and have something. What [Wallace O'Keefe](#) doesn't like about Glass Den:

years ago this place was amazing. they use to make a large vegan breakfast, it was delicious. a big bang pancake. the vegan options have dropped significantly, the servier sizes are smaller and the prices have increased. I have had a few chances in the last two years and just to let more disappointed each time. [read more](#). The extensive range of coffee and tea specialties greatly enhances the value of a visit to Glass Den, the menu also includes delicious [vegetarian](#) dishes. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice spicy burger, here they serve a *appetizing brunch* in the morning.
