Went here on recommendation of a fellow colleague. Did not have too many hopes. But was floored. We were 6 of us, ordered their Indian and Chinese. The portions were amazing. The service was fast and the food was delicious. It was also nice to see the prices were totally great for the kind and quantity of the food. [read more](#).

When the weather is good you can also eat outside. What [User](#) doesn't like about Pan Aroma: eating is only average. I had a pina colada, a starter and noodle. the drink was pathetic that I had also called the manier to tell him that his answer was too cold and he said that this is the way it is made to eat...was okay. so it is not a bad place to day when u't want to cook, but it's a place for a special occasion or if u want something big.
