At less than \$5 was filling and satisfied my morning hunger. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about McDonald's:

Sydenham McDonald's always have a reputation for sloppy service. We always say we'll never come back to that store but fall into the trap. You need to pull over & check your order before driving off. The burgers always seem like they've been slopped together, everything hanging out. [read more](#). The comprehensive variety of [coffee and tea specialties](#) greatly enhances the value of a visit to McDonald's, For breakfast a delicious brunch is offered here. The **burgers of this place** are among the highlights and are usually served with side dishes such as French fries, leaf and cabbage salads or wedges, For you, the dishes are normally prepared *in a short time and fresh*.
