What [User](#) doesn't like about Batters Fish and Chips: While on a visit to Albany we decided to check out this place. Bad move. Without a doubt the worst fish and chips we've ever had. Tiny pieces of fish with the weirdest batter, more like a crumb but not nice at all. Very greasy, burnt and unappetising. Chips soggy and gross as well. Should have known when we were the only customers in there on a Sunday afternoon. Won't be making a repeat visit any time soon! [read more](#).
