We went here for dinner last night even after reading the reviews. So we gave it a go. The food was lovely, the setting was funky and there was plenty of ppl eating here. The food we felt was great and not to pricey. The service was slow but overall not a bad dining experience [read more](#). In nice weather you can even eat and drink in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [User](#) doesn't like about Pablos Cantina & Taqueria:

Typical Mexican cuisine. plenty of variety, including plenty of vegetarian options. Service was spasmodic, erratic, untrained, and at times, inattentive. Still many were probably casual Uni Students, trying to earn some extra money. So don't want to be too critical. Food prices were typical, compared to other Mexican restaurants I have visited. I can recommend this place for casual dining. Just don't expect too much. [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), look forward to the typical scrumptious French cuisine.
