Here is 'homemade ' not only on the menu but all in the burgers, sauces and fries. Fresh ingredients and awesome taste. Absolutely recommended and damn good for Asian [fast food](#) restaurant. This joint should score 5 stars overall!!!! [read more](#). What [Jonas B](#) doesn't like about Bang Burgers:

Wouldn't recommend getting a burger here at all. The meat is extremely low quality, same with the rest of the ingredients. The burger did not even come close to tasting good. The fries were in the frier for waaay too long and only tasted like cheap oil. Both sauces were really weird. Every aspect of that meal was bad. Came here for the good reviews, maybe they just had a bad day. But I won't try again. [read more](#). Bang Burgers from Chumphon is known for its *tasty burgers*, to which **crunchy fries, salads and other sides** are offered.
