A **comprehensive menu** of Moorings from Cromwell covering all **36** meals and drinks can be found here on the card. Nestled in Cromwell, this restaurant offers a varied dining experience that has drawn mixed reactions. While some diners praise the pleasant atmosphere, friendly staff, and standout dishes like the Carnivore Platter and chicken burger, others criticize the slow service and overpriced meals. Guests have noted inconsistencies, including forgotten drink orders and a somewhat casual ambiance that doesn't quite match the upscale prices. Despite the charming decor and beautiful patio views, the overall experience may be marred by service quirks. Nevertheless, many find the food quality enticing enough to warrant a return visit.
