What [User](#) doesn't like about Thai Paragon:

\$16.90 for chicken pillows see ew. yes the actual fkkk I asked myself why it was empty on a Saturday night. but still sat down. the ambience is great, fancy and everything when I opened the menu, I knew why. \$20 in average per court. hilarious since the restaurants in the hearts of sydney just load \$10 for a large plate of big pad watch ew never come again. it is simply not economically possible as a student.
