That was great. very tasty. a small look at the order was made on her part, but was immediately fixed. the selection of food is large and the portion size is also good. will recommend to everyone! read more. What User doesn't like about Geek Hq:

I'm very disappointed with the experience I had, I was not expecting for a such horrifying experience. I've watched many videos about this place and decided to have a visit with a very positive mindset, Somehow after I ordered their unique largest burger .. All my positive thoughts about GeekHQ was gone. The burger patty tasted like potato than meat and most importantly the milkshake I ordered tastes like water with... read more. Various flavorful seafood menus are dished out by the Geek Hq from Cotta Rd, Of course, you also have to try the delicious burgers, that come with sides like fries, salads, or wedges served. It should not be forgotten that there is a extensive selection of coffee and tea specialties in this restaurant, Generally, the meals are prepared in a short time and fresh for you.
