I ordered in the delivery and got an excellent burrito, very well prepared and accompanied by very good potatoes and sweet potatoes. I'd ask you again to try the rest of the dishes in your letter. [read more](#). What [User](#) doesn't like about Primal Foods Apoquindo:

I asked for a soy burger and sent me a sandwich with a burger to raise it, the same one that costs \$600 at the supermarket. it was good drop but for the high price I would have expected more. the sniper very oily and small for what is worth. [read more](#). At Primal Foods Apoquindo from Las Condes, there are **fine sandwiches, healthy salads and other snacks** for quick hunger in between, as well as cold and hot beverages, Also, there are *oven-warm and snacks* available, complemented by an array of both cold and hot drinks. The restaurant serves a comprehensive range of fresh and fine **juices**, Naturally, you should also taste the scrumptious burgers, accompanied by sides like fries, salads, or wedges provided.
