A **complete menu** of Subway from Rowville covering all **16** courses and drinks can be found here on the card. Lysterfield Subway garners mixed reviews, drawing praise for its delicious subs and attentive service, with many customers appreciating the friendly staff and a clean environment. However, some experiences highlight inconsistent service, including slow wait times and unfulfilled promotions, which have frustrated diners. While most patrons laud the food quality and prompt order accuracy, there are accounts of rudeness from management and concerns over compliance with health protocols during the pandemic. Despite these issues, the overall sentiment leans positively as numerous customers express their willingness to return, showcasing the restaurant's potential as a popular dining choice in the area.
