29.05.2022 the pier, a great location in cairns. sad still suffers badly due to covid and lack of cruise ships. in any case worth a visit, since the restaurants are all open, retail shops are not so much, but the opened are worth visiting. At Tha Fish from Cairns you have the opportunity to **enjoy delicious vegetarian meals**, in which no trace of animal meat or fish was processed, Additionally, they offer you *authentic Australian meals* with ingredients like bush tomatoes and finger limes. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, and you may look forward to the scrumptious traditional [seafood](#) cuisine.
