this is such a friendly place! Everyone who works here greets them with the greatest smiles and kills the most delicious fast coffee! they have a whole range of generally found drive through coffee options and many vegetable milk to keep it all vegan and animal conscious. the best of all that human bean carries delicious vegan rustic donuts that drink the ultimate pairing with their freshly ordered coffee or espresso... read more. The restaurant also offers the possibility to sit outside and eat in pleasant weather. What User doesn't like about The Human Bean:
First time. Not a flavorable experience I would say. Coffee felt more like milk. I could not feel the coffee flavour at all. May be I did not ordered the right drink as per my taste read more. The large variety of **coffee and tea specialties** makes a visit to The Human Bean even more worthwhile, In the morning they serve a *varied breakfast* here.
