Removed: Hakata Ippudo:

Unbelievable rams! Each table had a QR code for an English menu. Order everything you want, including spice level, pastel tenderness, toppings and more. Pay attention to regular spices on herbal rams. It's strong. But absolutely delicious! [read more](#). What [User](#) doesn't like about Removed: Hakata Ippudo:

there are no vegan options there, and I have shown a card that I am vegan in Japanese and the waitress said there are no options and no replacements of digging through rice. [read more](#). With original Asian spices fine traditional courses are prepared in the kitchen of Removed: Hakata Ippudo in Hiroshima, and *easily digestible Japanese menus* are being made with lots of freshly harvested vegetables, fish and meat. It should not be forgotten that there is a large diversity of coffee and tea specialties in this restaurant, Besides, the inventive blend of different dishes with new and sometimes adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion.
