What User doesn't like about Seabites Fresh And Cooked Seafood:
I bought 1 oysters to try it before I bought another dozen, it was out and had to spit it out on the switch. I let them know that it was, they did not refund me, but said oysters is not everyone's preference. I personally love oysters, but yes, oysters that taste like an old shoe is not my preference or someone else is safe. never back! read more.
